# WHO

## FRAMEWORKS OF TAMPA BAY

is the leading nonprofit dedicated to equipping every child with the knowledge and know-how to become kind, collaborative and capable citizens. With the complex challenges facing today’s kids, we provide positive and personalized learning experiences to develop their emotional intelligence, or EQ — the critical skills necessary to navigate any emotion, conversation or situation, no matter how difficult.

Together with families, teachers and community leaders, we create a future where every child acts with empathy, approaches differences respectfully, and advances the common good for our entire community.

# WHAT

## TAMPA OYSTER FEST

is a unique community event that supports Frameworks of Tampa Bay. This festival features a variety of oysters, low country boil, bbq, live music, games and more! It’s a must-attend event that sells out fast. Get ready for a shucking good time at this year’s Tampa Oyster Fest!

# WHY

## SPONSOR

Imagine if every child in our community enjoyed going to school, made friends easily and graduated on time. Imagine if bullying didn't exist, and everyone treated each other with kindness and respect, even during disagreements (especially during disagreements).

At Frameworks of Tampa Bay, we not only believe that world is possible; we know how to achieve it—Emotional Intelligence.

**Your sponsorship makes it possible for Frameworks to continue to serve as Tampa Bay’s trusted partner for building EQ, and ultimately, preparing the next generation of the workforce for success!**
